Hi Vickie:

Thank you very much for contacting me. It is amazing how many "small items" fall through the cracks when change happens!

Here is everything that I know at this time. First, James Enyeart is still at the Dragon Mine site itself – so that has not changed. However...

The CEO/President of Atlas is Andre Zeitoun. He would be your first point of contact. You may reach him through this office (208-556-1181) or via e-mail to his assistant, Maureen ([admin@atlasmining.com](mailto:admin@atlasmining.com)). Either way, he will respond within one business day (probably sooner – he is a call screener, so when Maureen answers the phone, if anyone who calls states that it is about the Dragon Mine, it will expedite the call). Now, this is going to change in the next four months as the office in Idaho is being closed and the corporate office is being relocated to New York (or somewhere back there) – I have cc'd Maureen this note and she will drop you a note with regards to future changes.

You may certainly indicate Maureen Prokopiw or me as alternative contacts. Both of us are at the office phone number.

The current mailing address for correspondence is:

P O Box 968

Osburn, ID 83849-0968

The current phone and fax numbers are: Ph: (208) 556-1181; Fax (208) 556-6741

The mine continues to be in suspended operations mode while the change at the top of the company's management pyramid settles in.

If I have missed anything, please let me know. Otherwise, my thanks again for your help getting these updates to the state of Utah!

Barbara
